SUBJECT — Construction of Bus Stand at Chitaldrug

With reference to your letter No T 2377/40-41 dated 22nd February 1941 on the above subject requesting me to forward to you the plan and estimate prepared for the purpose stated above, I have the honour to forward herewith as desired by you, the relevant plans and estimate since furnished by the Executive Engineer, Chitaldrug Division, prepared on the lines of the type design furnished by the Government Architect

2 I am to add in this connection that excluding the cost of acquisition and removal of boulders on the site proposed for the bus stand, (which roughly amounts to Rs 2000/-) the scheme for construction of Bus Stand is estimated to cost Rs 6,600/- as could be seen from the Abstract Estimate enclosed in the records The local Municipality had at its meeting held on 29-6-40, resolved that Government be requested to meet half the estimated cost of the scheme the balance cost being shared by the Municipality

3 It has already been stated in para 3 of this office letter

letter No C C 16/40-41 dated 24th July 1940 addressed to the Secretary to Government, Law Department, Bangalore, (requesting for sanction of liberal grant from Government for the purpose) that in view of the straitened finances and heavy obligatory commitments it would not be possible for the Municipality to meet the entire cost of this work and that sanction of Government be kindly accorded to grant half the estimated cost of the scheme The necessity for the modification of the original estimate has been explained in the report to accompany the estimate and also in my D O letter of even No dated 24th December 1940 addressed to you in the matter

4 In the circumstances, explained therein, I consider it desirable that at least a sum of Rs 3,300/- being the moiety of the estimated cost is to be met from the Road Fund, as the Dewan is particular that the building should be decent with modern requirements

5 In view of these circumstances, I request you to reconsider the matter and provide for at least Rs 3,300/- (being moiety of the estimated cost) from the Road Fund for the Bus Stand

6 After receipt of reply from you, Government will have to be addressed separately for according their administrative sanction to the scheme in question and to permit the local Municipal Council to bear the balance cost of the scheme from Municipal Funds copy of this letter has been separately forwarded to the Secretary, Law Department, Bangalore, for information of Government

7 The relevant plans and estimate with other concerned enclosures accompany for reference and kind return when done with The favour of an early reply is solicited

I have the honour to be,
Sir,
Your most obedient servant,

CSG 2

GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

GENERAL AND REVENUE DEPARTMENTS

G O No T 3138 49—R T 66 40 2 dated 7th May 1941

Shelters

Passes orders on the construction of —— for bus passengers at certain places in the State during the year 1941 42

ORDER No T 3138 49—R T 66 40 2 DATED BANGALORE THE 7TH MAY 1941

The question of constructing shelters for bus passengers in all the important places in the State has been under the consideration of Government for sometime past

2 The Public Works Department has furnished two type designs *viz* Type I —estimated to cost Rs 4 200 and Type II—estimated to cost Rs 1 700

3 The Deputy Commissioners of Districts have furnished lists of places wherein such shelters have to be provided in their districts arranged in the order of urgency and have also intimated the amount of contributions if any expected from the local bodies —municipality or village panchayet—towards the cost of these buildings

4 After considering these proposals Government are pleased to direct—

(*i*) that the design furnished by the Public Works Department be adopted as standard type the detailed plans and estimates in respect of such shelter at each place being carefully scrutinised with a view to keep down the cost as low as possible

(*ii*) that all local municipalities wherein these shelters have to be constructed be required to contribute at least one fifth of their estimated cost

(*iii*) that a sum of R 30 000 be provided for the purpose of constructing these shelters in the Road Fund Budget for the year 1941 42

(*iv*) that the construction of shelters be taken up as noted in the appended statement

(*v*) that the cost of construction of the shelters in the Kadur Hassan and Shimoga Districts be met from the Town Improvement Fund which has been recently increased by a special grant of Rs 2 00 000

5 These works will be carried out by the Public Works Department the establishment tools and plant charges being waived

6 The Deputy Commissioners of Districts are requested to arrange in consultation with the Chief Engineer to take up these works and complete them before the close of the year 1941 42

SIR

SUBJECT — Construction of a Bus-stand at Chitaldrug - estimated cost of Rs 6,600/-

I have the honour to state that as per the kind instructions of the Dewan (Sir Mirza Ismail) the Government Archectect furnished a type design of the Bus stand to be adopted at Chitaldrug

2 The Executive Engineer, Chitaldrug Division, has prepared and furnished the detailed plans and an estimate for Rs 6,600/- as per type design

3 Government have in their order No T 3138-49/R T 66-40-2 dated 7th May 1941 sanctioned a grant of Rs 3000/- for the purpose of constructing the Bus stand from out of the Road Fund Budget for the current year 41-42

4 As regards the question of meeting the balance cost of the scheme, viz , Rs 3,600/- the Chitaldrug Town Municipal Council have agreed to finance it from out of their funds (Vide resolution copies dated 29-6-40 and 31-7-41 enclosed in the records)

5 I am to add in this connection that due provision viz , Rs 3,600/- has been made for the purpose under the head " D- Public Works" in the current year's Budget estimates of the Municipality, submitted ~~xxx~~ to Government for kind sanction

6 The construction of Bus stand at Chitaldrug is one of the subjects of Dewan's Tour Notes and is an urgent necessity for this growing Town

7 In these circumstances, I request that administrative sanction of Government to the Scheme in question (estimated cost being 6,600/-) and to finance the balance cost of Rs 3,600/- from out of Municipal Funds from the source pointed out in Para 5 supra may kindly be obtained and communicated to me to arrange to take up the work

The ~~xxx~~ relevant plans, and estimates with other concerned enclosures accompany for reference and kind return

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Chitaldrug District

SUBJECTS TO BE DISCUSSED BEFORE THE MEMBER

1 Bore-Well.-
This has to be operated by Electric otor ~~Engine~~ just to minimise the expenditure

At present the average expenditure works up to Rs 2200/- annually excluding extablishment charges One engine is not at all working for the last three months No water is being supplied Santhepet Block since then Moreover the rate of Cruid oil is also gone high on account of war, thereby, the cost of maintenance may be minimised by substituting Llectric Motor ~~Engine~~

GEN & REV SECTT

L S G BRANCH

2 Bus Stand -
The Government has sanctioned Rs.1200/- for this work

The Municipality has already spent Rs 700/- for removing boulders &c , and Rs.500/- for widening the road and constructing a tunnel Thus the Municipality has already spent Rs 1200/- which the Government has granted ~~xx~~ at present As per type design the ~~xxxxxxxxxxxxxxxxxxxxxxxxxxxx~~ construction of the Bus Stand is estimated Rs 4200/- and the land to be acquired for this costs Rs 2000/- in addition Thus the total works up to 6200+1200=7400 but Even a grant of Rs.3000/- which has been prayed for by the ~~Government~~ is quite insufficient to this work The plan now received does not provide any waiting shed which is a dare necessity for a bus stand At least one ~~bus stand~~ may be taken up during the current year to fecilitate the Bus travellers

3 Waiving conversion fines to the sites to be acquired for the extensions of town,-may kindly be made as a general rule -

It is one of the most important matters to be considered by the Government, otherwise the Municipality cannot come forward to give feilities for constructing buildings

4 Drainage Scheme -

Only a table survey has been made At least a sum of Rs 5000/- may kindly be set apart for this work during the current year

5 Octroi Duty on Kerosine Oil tins is levied at present at annas two per tin only on imported kerosine oil It is considered if flat rate of one anna ia levied on every kerosine oil tin that comes into the town, more realisation is expected So in the interest of the income of the Municipality, Government has to be requested to sanction this levy of flat rate of one anna

6 Tarring the road -

There was a proposal that the Bangalore-Dharwar Road would be taken up during the current year for tarring As there is a doubt to take up this work during the year it is of great importance to take up this work during the current year alone especially in the limits of Chitaldrug Municipality

P T O

7 Executive Engineer may kindly be requested to take up the work immediately to join Davangere and Holalkere road by running through Burgere and Agasanakallu Extensions

1 Bore-Well -

This has to be operated by Electric Motor just to minimise the expenditure

At present the average expenditure works up to ₹ 2,200/- annually excluding establishment charges One engine is not at all working for the last three months No water is being supplied Santhepet Block since then Moreover the rate of Cruid oil is also gone high on account of war, thereby, the cost of maintenance may be minimised by substituting Electric Motor

2 Bus Stand -

The Government has sanctioned Rs. 1,200/- for this work

The Municipality has already spent Rs 700/- for removing boulders &c , and Rs 500/- for widening the road and constructing a tunnel Thus the Municipality has already spent Rs. 1,200/- which the Government has granted at present As per type design the construction of the Bus Stand is estimated Rs. 4,200/- and the land to be acquired for this costs Rs. 2,000/- in addition Thus the total works upto 6200 plus 1200 equals 7400 Even a grant of Rs. 3,000/- which has been prayed for by the Municipality is quite insufficient to this work The plan now received does not provide any waiting shed which is a dare neccesity for a bus stand Atleast one waiting shed may be taken up during the current year to facilitate the Bus travellers

3 Waiving conversion fines to the sites to be acquired for the extensions of town may kindly be made as a general rule

It is one of the most important matters to be considered by the Government, otherwise the Municipality cannot come forward to give facilities for constructing buildings

4 Drainage Scheme -

Only a table survey has been made At least a sum of Rs. 5000/- may kindly be set apart for this work during the current year

5 Octroi Duty on kerosine oil tins is levied at present at annas two per tin only on imported kerosine oil It is considered ~~sired~~ if flat rate of one annas is levied on every kerosine oil tin that comes into the town, more realisation is expected So in the interest of the income of the municipality, Government has to be requested to sanction this levy of flat rate of one anna

6 Tarring the road -

There was a proposal that the Bangalore-Dharwar road would be taken up during the current year for tarring As there is a doubt to take up this work during the year it is of great importance to take up this work during the current year alone especially in the limits of Chitaldrug Municipality

Executive Engineer may kindly be requested to take up the work immediately to join Davangere and Holalkere road by running through Kurubere and Agasanahallu Extensions
